- Communication Skill
- Community Engagement

## Experience

### • Recipient of the PRAN Fellowship in Collaboration with ActionAid for Transforming Barguna's Healthcare System

I was honoured to be awarded the prestigious PRAN Fellowship in collaboration with ActionAid for my dedicated work in Barguna. My project focused on raising awareness about government healthcare funds, especially for the underprivileged. Through my efforts, I aimed to enhance accessibility and transparency in healthcare services. This experience deepened my commitment to community-driven positive change, and I completed all the fieldwork, research, and paperwork for the PRAN Fellowship independently.

### • DOCAP || Youth Champion || (October 2020 to March 2021)

During my six-month engagement with DOCAP as a Youth Champion, I successfully undertook various tasks. These tasks included data-driven report writing, creative content generation for campaigns, brainstorming innovative campaign ideas, and proficiently managing events. Under the umbrella of ActionAid, I also conducted qualitative research contributing to Action Aid's research papers.

### • International Youth Change Maker || Associate Team Leader || (2018-2021)

As an Associate Team Leader within the International Youth Change Maker program, I had the privilege of managing eight diverse teams, comprising individuals from all corners of Bangladesh as well as the Nepal team. This experience allowed me to nurture leadership skills and foster collaboration among youth dedicated to making a positive impact.

### • ActionAid, Bangladesh || Activista || (2018 - 2021)

During my tenure at ActionAid, Bangladesh, I served as a Theatre Activist and was an integral part of the Activista Project. My primary responsibilities included overseeing Social Media Campaigns and leading the Communication Teams. Through these roles, I actively contributed to promoting social awareness and change in Bangladesh.
